LUXURY COORDINATES

Plains are a staple of any interior design project, but not all plains are created equal.

Zoffany Luxury Coordinates presents a decorator's toolkit of decorative velvets, bouclé plains and wool satins. Combining performance with integrity, this exciting new range of elevated plains complements the entire Zoffany range.

Perfect for both classic and contemporary settings, Zoffany Luxury Coordinates can be combined with all Zoffany fabric and wallcoverings or used as a standalone product.
